“Schedule for Name – Account number – Quarter, Year”

2. Format your current schedule using the HTML `<table> ... </table>` element.
   - Your table should have a heading row with **Time** (e.g. 8:00-9:00, 9:00 – 10:00 – or on 30 minute boundaries), and the days of the week (e.g. **Monday, Tuesday, ... , Friday**).

3. Use the `<caption>` element to give a title to your schedule.

4. Add hyperlinks to all of your activities with a webpage.

5. Add images to your schedule associated with your extracurricular activities (e.g. if you swim, add a photo of a swimmer at the time that you would be swimming.)
   - Make sure that your images are sized appropriately for your table.
